

THEN WE
MUST GET
AWAY
FROM:

totalitarian ideologies (incl. algorithms, which serves the same)

bigotry, racism, oppression and intimidation,
radicalization, extremisms, terror, slaughters, atrocities,
ethnic cleansings, warfare, lawlessness, incorrect
interpretation and use of the term woke (*)

fake news, conspiracy theories, (incite to) hate, false
allegations, cancel culture

pollution and waste

(*) not as version of truth, justice, righteousness, sin, and judgment, but as self-conscious and focused on social injustice and racism

AND WE
SHOULD
PRIORITIZE:

the beautiful, the true and the good, Bildung,
European humanism, philosophy of language, fairness
and equivalence, inclusion, virtues and principles, the
common good

liberal democracy, rule of law, multilateralism, peace,
freedoms

the purpose of a corporation,

innovations and inventions, science and research
